

2009 Webelos Woods

(Presented by Troop 200)

Troop 200 would like to welcome you to “Webelos Woods 2008”! Webelos Woods has been designed by Troop 200 Scouts for you. This letter will outline the details of the activities we have planned for you.

You may be asking yourself. . What is Webelos Woods? . . . Good Question!

Webelos Woods is an introduction to the world of Scouting through the camping experience, and is put on by the Scouts in Troop 200. The Boy Scout motto is “Be Prepared” Of the many things you will learn during this weekend is:

- **Troop Designed Games Buffaloes Patrol – (Catapult building contest)**
- **Review Model Camp Site – 1st year Patrols**
- **Fire Safety – 1st year Patrols**
- **Cooking & KP – Mongoose Patrol**
- **Basic First Aid – Lightening Bolts Patrol**
- **Knots – Cobras Patrol**
- **Flag Retirement Ceremony – Badgers Patrol**
- **OA Ceremony – Senior OA Members**

These Boy Scout fundamentals are not only important; they are required for the rank of Tenderfoot.

There is one other thing that hasn't been mentioned . . . FUN!!! Believe me there will be plenty of it mixed in with this great learning experience.

Now for the details:

Date of trip: Saturday October 3rd & Sunday October 4th

What to bring to camp - (See the Attached)

*If this is your 1st camping experience and you do not have a tent, we ask that you make arrangements to borrow one, or tent with Pack members with extra room. (Approved by Den Leader)

Important: Our troop invites all Webelos to participate in a very special honor. Saturday evening Webelos and Scouts will participate in a U.S. Flag Retirement Ceremony. We ask that if anyone has a “Tattered” flag, that they bring it forth to be retired.
